ARTHUR B. LANGFORD
THE NEXT SHERIFF

ARTHUR B. LANGFORD THE CHOICE OF THE PEOPLE.

Each day brings additional evidence of the great popularity of Arthur Langford for sheriff. In fact the sentiment throughout the county is so strong that it is finding expression through the many county newspapers. Practically all of the county papers are supporting Langford vigorously or speak favorably of him. This is as it was four years ago when his father—"Bob" Langford—received the same kind of support, with the result that he was elected by over 3,000 plurality. It will be the same this year with his son Arthur. One of the strongest supporters of Mr. Langford in its editorial columns is the *Gilroy Advocate*, a Republican paper, with F. W. Blake as editor for over thirty-five years. It is safe to say he reflects the sentiment of the people of the south end of the county when he so strongly endorses Mr. Langford in his editorial columns. He says:

A. B. Langford, candidate for Sheriff, was one of his father's most trusted deputies. For several years prior to his father's death he became familiar with the civil and criminal work of the county and in consequence is extensively acquainted in every township. He has had the right training for efficient service, and if elected his experience will prove of great advantage to all who may have business with the Sheriff's office. Mr. Langford is a young man of robust constitution. He is hardy, active, and fearless, exemplary in habit and of good education and address. We have every reason to believe that he will meet with strong support.

The voters who signed the petition to the Supervisors to appoint this worthy young man to fill the unexpired term of his honorable father, a petition that was set aside by a ruling influence to which the board of that time submitted, will now be able to have their own way about it, and not only confer the honor of office where it justly belonged, but at the same time administer a merited rebuke to the supervisors for their craven surrender of the office to a political boss in opposition to the expressed will of the many hundreds of representative citizens whose names appeared on the petition.

In the late Democrat convention Mr. Langford was the unanimous choice of this party because he was known to be specially qualified for the office and not because of his father's good qualities. The trade unions knowing his honesty and worth, his home attachments and his struggles upward, are proud to have him on their ticket, for they consider Langford's nomination one of the best that could have been made. The coming election will doubtless show they made no mistake and that Langford as the choice of the people is our Sheriff for the the incoming term. Vote for Langford.

HE WILL NOT BE COUNTED OUT THIS TIME.

(Mountain View Leader, Republican)

Every voter in Fremont township, who has lived here two years or more, is familiar with the now famous case of Williams vs. Treanor, the case in which a man who had been duly elected to the office of County Recorder by a clear majority of 499 votes was ousted from office by the man who had been his political opponent, by means of chicanery and a clever manipulation of legal technicalities. The case was in the courts two years and cost Mr. Treanor (who, as any other man would have done, defended his rights until the courts ruled against him), a great deal of money and also the loss of two years time and a large amount of the salary of the office which was legally his. There is not a citizen in the county

who is at all familiar with the case, who does not believe that Mr. Treanor was honestly and squarely elected to that office, and then shamefully beaten out of it by some of the dirtiest trickery that a gang of rotten politicians know so well how to employ to gain their ends.

Mr. Treanor is before the people again asking them to elect him to his office—his by every legal right—and every voter who is a friend to justice and fair play should help him to come once more into his own. As a man he is above reproach in every way, and during the time that he had charge of the office he conducted it better than it had ever been conducted before. He installed new and improved systems of records which are now in use and which save many thousands of dollars to the taxpayers of the county in time and accuracy. If you believe in treating a man square, vote for Tom Treanor, no matter what your political affiliations are.

For nearly a quarter of a century D. T. Bateman has been identified with school work in the Santa Clara valley. Fourteen years he spent as a teacher in the public schools of San Jose. The past four years of his work as County Superintendent of Schools has marked him a man for re-election. The coming election will show that good work goes not unrewarded.—*Santa Clara Journal*, (Rep.)

What better record could be asked for than that made by Mr. Bateman while as a teacher and public official? There has been absolutely no criticism of his work, then why even think of suggesting a change, when no possible good can come from it and a chance for harm. Mr. Bateman's splendid record is an indication that during the coming four years he would be in a position to still further improve the service of his office. Surely the invaluable services rendered the several grange organizations of the county in their educational work will not go unrewarded on Nov. 6th. By all means vote for Bateman and keep our schools as they are now—in a high state of efficiency.

It is no longer a question as to whether Langford will be elected Sheriff. It has resolved itself into how great the majority will be. At first it was thought he could be elected by as large a plurality as his father got—over 3,000. But now it is conceded that that figure is too small. It is safe to say that Arthur will go into the office with the largest majority ever given a Sheriff of this county, and 5,000 is about the figure. From every nook and corner of the county comes word of a literal landslide. Those 1,500 voters that signed his petition two years ago are all out working like beavers for him. And the fact that so many Republicans are in his fight makes his election sure. It is conceded that he should have been given his father's place upon the latter's death and the voters will see to it that he gets justice now. No amount of money spent in this campaign can defeat the name of Langford—a name known and honored the county over.

EAST SAN JOSE has been honored this year by having one of her citizens placed upon the Democratic State ticket for Associate Justice of the Supreme Court in the person of Hon. Jackson Hatch, and we trust that the town will be further honored by his election to that office. Mr. Hatch, because of his commanding ability, knowledge of the law, judicial temperament, clean personal character, and freedom from entangling alliances, is eminently fitted for the place and would be an honor to the highest court of the State. He is a loyal supporter of every movement for the benefit of the town and ought to receive every vote cast here, and a large majority in his home county. There are two Justices to be elected, so Santa Clara county voters have the opportunity of voting for two home candidates for Supreme Court Justices—Messrs. Hatch and Lorigan.—*Post*.

Santa Clara county has been fortunate in having had for the past twenty or twenty-five years an assessor of such ability and integrity as is possessed by L. A. Spitzer. Mr. Spitzer is a Democrat, but he has always won his election against all opposition. This year Mr. Spitzer has been made the nominee of both the Democratic and Republican parties, a just recognition of his long and faithful service, regardless of party affiliations.—*Palo Alto Tribune*.

Go to San Jose Monday evening, October 22 and Ex-Congressman Theodore A. Bell, Democratic and United Labor nominee for Governor. He's an orator, and from reports over the State he is practically sure of election. He is the friend of the common people.

TOM TREANOR is as sure of election as that the sun will rise tomorrow. The people have not forgotten the wrong done him.

IF reports from the county at large count for anything County Superintendent Bateman will be re-elected two to one.

from Langford for Sheriff to Dave Oliver for Justice. You'll want to join in the grand ovation to Langford—the idol in these neck o' the woods.

Republican Rally.

The Republican rally on Friday night of last week was a success as far as numbers go. The moving pictures and Pacific Quartette was a good drawing card, and judging from the encores given the latter that was what the people came to hear, rather than the speaking. Of the 300 in the hall half were women, boys, girls, and non-voters; and of the remaining 150 half were Republicans (including the 25 or more "rooters" from San Jose) and the other half was composed of Democrats, Socialists and Prohibitionists. If the San Jose "rooters" had not been imported to make a noise (with the assistance of the candidates) some of the candidates would have imagined themselves in an ice house.

Judge A. G. Williams was chairman and he lost no time in rushing the program through. All the candidates were present and made speeches—some short and some long. This being Conant's territory he was heartily applauded. But some of the "dope" handed out didn't go down—that by candidate Free, especially. When the people were sweltering in a poorly ventilated room, and after 10 o'clock at that, Fred Thomas, in a voice that might go at a lodge banquet, but not suited to this occasion, attempted a speech on national questions. Voters present didn't see the point.

J. Stitt Wilson drew a crowded house Wednesday night at I. O. O. F. Hall. Of those present the majority were voters, who listened for two hours to the speaker's forceable arguments. It would be speaking the truth if we state that the meeting was much more of a success than the Republican meeting as to actual voters present. The socialist vote in the precincts around Campbell this year will be surprisingly large, if their meetings are a criterion to go by.

A WINNING TEAM.

**Frank Ross and Arthur Free For
Sheriff and District Attorney.**

Two men on the Republican
ticket have been developing
strength steadily ever since the
campaign began. They are
Sheriff Ross and Arthur Free, the
latter the Republican candidate
for District Attorney. Sheriff
Ross has been the incumbent of
the Sheriff's office for about two
years, and during that time he
has commended himself to the
public of this county, by the rec-
titude of his character and the
honesty and fearlessness of his
administration in the office.
Mr. Ross looks the part of a
Sheriff. He is sturdy, strong
and vigorous in every look and
movement. He looks you
straight in the eye when he talks
to you and his frank and pleas-
ant way of going at campaign
work makes friends for him
wherever he goes.

Mr. Free, in addition to his
many other good qualities, is
proving an eloquent speaker.
He has been forced to take the
place of special speakers upon
one or two occasions since the
campaign began and to discuss
national and state issues at the
public meetings of the candi-
dates. He has a fine voice and
convincing manner that carry
conviction to the hearts of every-
body who hear him.

These two men in the prime
and vigor of young manhood
will unquestionably handle the
criminal business of this county
with thorough honesty and fear-
lessness. No more conscientious
officer than Sheriff Ross can be
found anywhere and that Mr.
Free is equally conscientious and
capable is not doubted by any-
body who knows how thor-
oughly he has made good in
everything that he has ever un-
dertaken.

THE CANDIDATES.

Mr. D. T. Bateman, County Superintendent of Schools, was in town Thursday. Mr. Bateman is one of the most prominent Superintendents of Instruction in the State, and is exceedingly popular with the teachers,

**The People's Choice for Superintendent

pupils and parents. He is a candidate for re-election, being supported by the Democratic and United Labor parties, and we have no doubt that he will go in with a larger majority than before. Everyone seems perfectly satisfied with his work and he deserves re-election.—*Gilroy Advocate (Rep.)*

B. E. Kell's political card appears in this issue. We know Mr. Kell well and the following testimonial from the Santa Clara Journal, a Republican paper, expresses it about right when it says: "When a man's work in public office calls forth praise from the populace it's a sure sign it's good work. And when a man does that kind of work the people are in duty bound to return him to the office he seeks. B. E. Kell has done all and more than the duties of Coroner and Public Administrator call for and his candidacy is bound to be rewarded for the merit of his incumbency."

E. W. Conant, whose card appears elsewhere is making a clean campaign. His record as our County Treasurer is faultless, a striking example to other aspirants for places of trust. As an evidence of his popularity it is only necessary to state that he was one of three of the Republicans on the county ticket to win out at the last election.

Frank N. Smith's political card appears in this issue. He is a candidate for State Senator for this, the 27th District. Mr. Smith lives in Santa Clara and is a taxpayer there. He is a man of affairs, of mature years, of unquestioned character, and withal well qualified for the position he seeks. He is a Republican in national politics, but the United Labor party prevailed upon him to accept their nomination, and the Democratic party also nominated him. He has been for a great many years a member of a labor organization, being now identified with the Millmen's Union, therefore he claims to represent the great toiling masses, at the same time he is big enough and broad enough to labor for the best interests of all classes of people.

Thos. Monahan has his card in the Post. He is out for County Treasurer and is making a whirlwind campaign. Tom has served 16 years as letter carrier, and there being no hope of promotion he decided to make the race for the treasurership. He is a prominent Native Son and well qualified for the place he aspires to.

Chas. A. Thompson, for Justice of the Peace, is sure of election. He is capable, he is clean, and his word for it that he will give our town a square deal.

B. E. KELL
Nominee For Coroner

HON. JACKSON HATCH.

A Man Most Eminently Qualified for the Supreme Court Bench.

(San Jose Evening News)

Jackson Hatch of San Jose, who is a candidate on the State Democratic ticket for the office of Associate Justice of the Supreme Court, is a native of California, having been born in Tuolumne county. He is a son of the late Col. F. L. Hatch, a prominent lawyer whose early career was identified with Yuba county, and who at the time of his death was the Superior Judge of Colusa county. Mr. Hatch has had a varied public career, having been at the age of twenty-one years elected to the district attorneyship of Colusa county, which position he retained for four years. He then entered upon the practice of his profession and has continued actively in it ever since. Later on he was appointed Assistant United States Attorney and retained that position in San Francisco for three years and then came to San Jose where he has resided for about fourteen years.

Mr. Hatch has been prominently identified with that order of Native Sons, having been one of the grand officers on two occasions, and with the order of Elks, having been exalted ruler of San Jose lodge for three terms and a delegate to the Grand Lodge at Atlantic City. He was nominated and elected one of the Presidential electors on the Democratic ticket during one of the Cleveland campaigns. He has delivered public addresses during several political campaigns practically all over California.

At the Democratic State convention in 1890 held in San Jose he was nominated for Associate Justice of the Supreme Court and has been on several occasions prominently mentioned as a candidate for Governor. He has a wide acquaintance over California and has taken part in many of the leading law suits in courts of the State in recent years.

JUDGE M. T. DOOLING.

Excellent Selection for the Appellate Court of this District.

(East San Jose Post)

Judge M. T. Dooling of San Benito County, who has received the Democratic, Union Labor and Independence League nominations for Associate Justice of the Court of Appeals, in this district, which comprises the counties of San Francisco, Marin, Contra Costa, Alameda, San Mateo, Santa Clara, Fresno, Santa Cruz, Monterey and San Benito, was born in Moore's Flat in Nevada County in 1860. He came from stock that made California famous in her early days. His father was a pioneer of the mountains; his mother a sister of that famous early-day churchman, Bishop Manogue, whose name is to this day revered by the miners of California and the Comstock. He was educated in the public schools and at St. Mary's College, graduating from the latter institution in 1880, and taking the degree of Master of Arts in 1881.

In 1884 Judge Dooling was elected to the Assembly from San Benito County. He served in the regular session of 1885 and in the extra session of 1886. At the expiration of his Legislative duties he entered upon the practice of the law at Hollister. He continued at the bar until 1892, when he was elected District Attorney, the Republicans and the Democrats making him their joint nominee. He was re-elected in 1894. In 1896 he resigned to become Superior Judge. He was re-elected to that office in 1902, again on the nomination of both Republicans and Democrats. As a Judge, Judge Dooling has made a reputation that extends beyond his own county. He is frequently called into other jurisdictions, and is almost as well known in the courts of San Luis Obispo, Monterey, Santa Cruz, Santa Clara, San Mateo and San Francisco counties as at home. In his own county it is said

of him that no civil case has ever been tried by a jury in his court, the litigants, because of his reputation for learning and integrity, preferring to try their cases before him in person, rather than before any twelve of their neighbors.

Judge Dooling is at present Grand First Vice President of the Native Sons. He is also a member of Salinas Lodge of Elks, Watsonville Lodge of the Knights of Columbus, Hollister Camp of the Woodmen and the San Benito Lodge of the United Workmen. He has a wide reputation as a public speaker and his memorial addresses before the Native Sons and the Elks in such cities as San Jose, Oakland and San Francisco, within the last few years, have attracted considerable attention. In 1902 Judge Dooling's reputation as a student and public speaker brought him the honorary degree of Doctor of Philosophy from Santa Clara College.

An Awful Cough Cured.

"Two years ago our little girl had a touch of pneumonia, which left her with an awful cough. She had spells of coughing, just like one with the whooping cough and some thought she would not get well at all. We got a bottle of Chamberlain's Cough Remedy, which acted like a charm. She stopped coughing and got stout and fat," writes Mrs. Ora Bussard, Brubaker, Ill. The remedy is for sale by Farmers Union, agents.
